Fragile Success Taking Stock of the New York Metropolitan Region. Over the last generation, the New York metropolitan region has seen sweeping change, much of it for the better. Yet our success is fragile. The region has progressed as whole, but too many people haven't shared in this growth. Real incomes have actually declined over the last 25 years for the majority of families. Several of the case histories include parent commentaries detailing their child's condition and outcomes. You'll discover the recent strides made in the understanding of and medical treatments for autism and be inspired by these ten extraordinary people who have faced adversity and, for some, achieved a fragile success.

Mountain gorilla: From tragedy to fragile success | Dian ... New status proves value of long-term protection and international efforts. Forty years ago, Dian Fossey and the world were devastated when a family of mountain gorillas named Group 4 was decimated by poachers. Group 4 was the very first group of gorillas to be studied by Dr. Fossey after she established the Karisoke [Karisoke]. While this goal isn't reached per say by either Thomas or any of the other characters in The Lone Ranger and Tonto Fistfight in Heaven, the brief moments of stability of tradition, such as Thomas's stories prior to this statement, represent clear movements towards it. Thus, it is apparent that the recognition of fragility discourages the fight against injustice for Indians.
