

Mere Christianity
Book 1, Chapter 4
What Lies Behind the Law

Questions:

1. Lewis cites two main views of the universe (with a third mentioned at the end of the chapter). What are they?

2. How does the scientific method function? Why can't science tell us which of these views is right?

3. The only thing in the universe we can know more about than what we can learn from scientific observation is _____. Why?

4. How do the following biblical passages relate to all this: Deuteronomy 29:29; 1 Corinthians 2:6-13; John 1:9-14?

5. What is the third view of the universe mentioned at the end of the chapter?

6. What are the weaknesses of this view?

7. Where have you encountered this third view in either personal relationships or popular culture?

8. Why is this view so attractive?
