

8. What do the following passages teach concerning the importance of theology for Christians?

**Romans 10:2 [Proverbs 19:1]**

**2 Timothy 2:15**

**1 Peter 3:15-16**

9. Comment on the following statement: “We should never underestimate the importance of knowledge to the Christian faith, for knowledge is at its very heart. The word *disciple* means a learner and a doer. We must know not only *what* we believe but *why*. Yet we must never forget that people don’t care how much we know until they know how much we care! When they see our love, only then can the constant years of study, intellectual and spiritual preparation, be used to Christ’s glory”
